HIBITED BY LAW. REPRODUCTION	TO AN UNAUTHORIZED PERSON IS PRO- OF THIS FORM IS PROHIBITED.		50X1-HU
1. The lead	ing university in China	for the stud	V of telecommunications
was the	unactung university		3 Of the second
Many Or	the professors		in Shanghai. 50X1-HU
on those	given at Massachusetts	Institute of	50X1-HU modeled their courses
on those courses presiden	given at Massachusetts they gave covered all ph t of this college in 193	ases of comm	50X1-HU modeled their courses Technology. The unications. The
on those courses presiden Dr. Sun telecomm	given at Massachusetts they gave covered all ph t of this college in 193 Yat Sen. Chaotung Unive unications but all scien	ases of comm 1-1932 was S rsity gave c tific fields	50X1-HU modeled their courses Technology. The unications. The un Fu, a relative of ourses in not only including physics.
on those courses presiden Dr. Sun telecomm chemistr	given at Massachusetts they gave covered all ph t of this college in 193 Yat Sen. Chaotung Unive unications but all scien	ases of committees of committe	50X1-HU modeled their courses Technology. The unications. The un Fu, a relative of ourses in not only including physics, istration
on those courses presiden Dr. Sun telecomm chemistr was one Chiang w	given at Massachusetts they gave covered all ph t of this college in 193 Yat Sen. Chaotung Unive unications but all scien y, electric power, and r instructor at Chaotung U ho was very familiar wit	ases of commit-1932 was Sirsity gave cutific fields ailway adminintegrate by header, and	50X1-HU modeled their courses Technology. The unications. The un Fu, a relative of ourses in not only including physics, istration. There the name of Ka Tung
on those courses presiden Dr. Sun telecomm chemistr was one Chiang with the Ch	given at Massachusetts they gave covered all ph t of this college in 193 Yat Sen. Chaotung Unive unications but all scien y, electric power, and r instructor at Chaotung U ho was very familiar wit equipment in good repair was another well known scien	nases of commit-1932 was Sirsity gave catific fields ailway adminimizersity by the radar, and tific universit	50X1-HU modeled their courses Technology. The unications. The un Fu, a relative of ourses in not only including physics, istration. There the name of Ka Tung was capable of putting y in Shanghai. It was
on those courses presiden Dr. Sun telecomm chemistr was one Chiang with damaged and the course of th	given at Massachusetts they gave covered all ph t of this college in 193 Yat Sen. Chaotung Unive unications but all scien y, electric power, and r instructor at Chaotung U ho was very familiar wit equipment in good repair was another well known, scien has Campan University, It di courses in physics, chemistry	ases of commit-1932 was Sirsity gave cutific fields ailway adminimiversity by h radar, and tific universit d net give and electric p	modeled their courses Technology. The unications. The un Fu, a relative of ourses in not only including physics, istration. There the name of Ka Tung was capable of putting y in Shanghai. It was urse in telecommunications, ower. Other prominent
on those courses presiden Dr. Sun telecomm chemistry was one Chiang was damaged. Tung-Chiang the course of the co	given at Massachusetts they gave covered all ph t of this college in 193 Yat Sen. Chaotung Unive unications but all scien y, electric power, and r instructor at Chaotung U ho was very familiar wit equipment in good repair was another well known scien tourses in physics, chemistry insidental University in Nanking	ases of commit-1932 was Sirsity gave cutific fields allway adminimiversity by hardar, and tific universit data give and electric publisher Cheka and the currents	modeled their courses Technology. The unications. The un Fu, a relative of ourses in not only including physics, istration. There the name of Ka Tung was capable of putting y in Shanghai. It was over, Other preminent inversity in Hangchew, the
on those courses presiden Dr. Sun telecomm chemistr was one Chiang was one Chiang was damaged. Tung-Chiang	given at Massachusetts they gave covered all ph t of this college in 193 Yat Sen. Chaotung Unive unications but all scien y, electric power, and r instructor at Chaotung U ho was very familiar wit equipment in good repair was another well known scien tourses in physics, chemistry instructed in China were entral University in Nanking entral University in Nanking entral University in Nanking	ases of commit-1932 was Sirsity gave catific fields ailway adminimiversity by the radar, and tific university do not give and electric pure the Cheka and university by the Cheka and chimna University do chimna Universit	modeled their courses Technology. The unications. The unications. The un Fu, a relative of ourses in not only including physics, istration. There the name of Ka Tung was capable of putting y in Shanghai. It was ourse in telecommunications, ower. Other preminent diversity in Hangchew, the insity in feigling.
on those courses presiden Dr. Sun telecomm chemistr was one Chiang was one Chiang was damaged. Tung-Chiangle but gave continued to several the course dimension of the course	given at Massachusetts they gave covered all ph t of this college in 193 Yat Sen. Chaotung Unive unications but all scien y, electric power, and r instructor at Chaotung U ho was very familiar wit equipment in good repair was another well known scien tourses in physics, chemistry insivereities in China were entral University in Nanking entral University in Nanking	ases of commit-1932 was Sirsity gave catific fields ailway adminimiversity by the radar, and tific university do not give and electric pure the Cheka and university by the Cheka and chimna University do chimna Universit	modeled their courses Technology. The unications. The un Fu, a relative of ourses in not only including physics, istration. There the name of Ka Tung was capable of putting y in Shanghai. It was urse in telecommunications, weer. Other preminent uversity in Hangchew, the rsity in relations.
on those courses presiden Dr. Sun telecomm chemistr was one Chiang was one Chiang was damaged. Tung-Chiangle but gave continued to the course during the co	given at Massachusetts they gave covered all ph t of this college in 193 Yat Sen. Chaotung Unive unications but all scien y, electric power, and r instructor at Chaotung U ho was very familiar wit equipment in good repair was another well known scien tourses in physics, chemistry insiversities in China were entral University in Nanking agreeablicat engineering, an the quality of work at	ases of commit-1932 was Sirsity gave cutific fields allway adminimiversity by hardar, and tific university do not give and electric part of the Cherrical University by the Cherrical University do Chinana University do Ch	modeled their courses Technology. The unications. The unications. The un Fu, a relative of ourses in not only including physics, istration. There the name of Ka Tung was capable of putting y in Shanghai. It was urse in telecommunications, ower. Other prominent diversity in Hangchew, the 50X1-HUN ties is as good centeinly
on those courses presiden Dr. Sun telecomm chemistr was one Chiang was one Chiang was damaged. Tung-Chi cristall but gave contification of the course during the course durin	given at Massachusetts they gave covered all ph t of this college in 193 Yat Sen. Chaotung Unive unications but all scien y, electric power, and r instructor at Chaotung U ho was very familiar wit equipment in good repair was another well known scien tourses in physics, chemistry insiversities in China were entral University in Nanking instruction of the work at the quality of work at s under the Nationalists	ases of commit-1932 was Sirsity gave cutific fields allway adminimiversity by hardar, and tific university do not give soo and electric process the Chemical University of Chimpha University the university of the university of the great the university of the great the commitment of the great the university of the great th	modeled their courses Technology. The unications. The un Fu, a relative of ourses in not only including physics, istration. There the name of Ka Tung was capable of putting y in Shanghai. It was urse in telecommunications, ower. Other prominent iversity in Hangchew, the for phich included a resity in fellows.
on those courses presiden Dr. Sun telecomm chemistr was one Chiang was one Chiang was damaged. Tung-Chiaralla but gave continued to the course during the c	given at Massachusetts they gave covered all ph t of this college in 193 Yat Sen. Chaotung Unive unications but all scien y, electric power, and r instructor at Chaotung U ho was very familiar wit equipment in good repair was another well known scien tourses in physics, chemistry insiversities in China were entral University in Nanking instruction of the work at the quality of work at s under the Nationalists	ases of commit-1932 was Sirsity gave cutific fields allway adminimiversity by hardar, and tific university do not give soo and electric process the Chemical University of Chimpha University the university of the university of the great the university of the great the commitment of the great the university of the great th	modeled their courses Technology. The unications. The unications. The un Fu, a relative of ourses in not only including physics, istration. There the name of Ka Tung was capable of putting y in Shanghai. It was urse in telecommunications, ower. Other prominent diversity in Hangchew, the 50X1-HUN lities is as good certainly majority of the professors
on those courses presiden Dr. Sun telecomm chemistr was one Chiang was one Chiang was damaged. Tung-Chi cristall but gave contification of the course during the course durin	given at Massachusetts they gave covered all ph t of this college in 193 Yat Sen.
